SIMPLIFIED IT SUPPORT

Simplified IT Support for Your  
Home & Small Business

## WHO WE ARE

PCS@Home, powered by PCS Florida, provides professional IT support to small businesses and home users. With decades of experience, we simplify technology so you can focus on what matters—whether it's family, work, or growing your business.

## OUR SUPPORT BUNDLES

### Small Business Tech Support Bundle

Ideal for small businesses with up to 6 devices, such as Independent Contractors, Consultants, and Realtors.

- **Remote IT Support:** Fast, expert assistance.
- **Advanced Cybersecurity:** Comprehensive protection, including anti-virus, malware defense, and threat monitoring.
- **Software Updates & Patch Management:** Keeps all software updated with the latest security patches.

### Home Tech Support Bundle

Designed for families and home users looking for easy, affordable tech security and support.

- **Family-Friendly Cybersecurity Package:** Advanced antivirus and malware protection tailored for home devices.
- **Instant Remote Support:** Get tech help right when you need it, from anywhere.

## OUR SERVICES

We offer a range of tech solutions for both home and small business needs:

- **Data & Photo Transfer:** Easily transfer files between devices.
- **Email Setup & Troubleshooting:** Get your email running smoothly, no matter the platform.
- **Printer Install & Support:** Full setup and troubleshooting for printers.
- **Virus & Malware Removal:** Fast protection and recovery from security threats.
- **PC Maintenance & Upgrades:** Regular check-ups and updates to keep everything running efficiently.
- **App Installation & Support:** Help with software setup and troubleshooting.

## WHY CHOOSE PCS@HOME?

- **Reliable Expertise:** Decades of PCS Florida's experience, available for small business or home.
- **Stress-Free IT:** We handle the technical details
- **Personalized Support:** Tailored solutions for your specific needs.

## WHO WE SERVE

- **Small Businesses:** Ideal for businesses with up to 6 devices.
- **Seniors:** Patient, step-by-step expert tech assistance.
- **Families & Moms:** Quick, reliable solutions for home tech issues.
